Rules & Regulations Gymkhana 2022-2023

Gymkhana

2022-2023

Chapter 1: General Rules

1. All Parties engaged with Gymkhana activities must comply with the code of conduct outlined below.

2. Conduct relating to paddock and pits

2.1. Drivers, team members, organizers and related parties shall treat fans with the utmost respect. Every effort should be made to interact with fans and the media in a friendly and courteous manner.

2.2. In addressing fans and related individuals, drivers, team members, organizers and related parties shall refrain from the use of intemperate language as well as ill intended, malicious behavior and conduct.

2.3. The movement of vehicles within paddock areas will be at a speed that ensures the safety of all concerned

2.4. Every effort must be made to ensure safety when undertaking maintenance in pit and paddock areas. Pit and paddock areas must be free of parts, liquid and other litter.

2.5. Smoking is permitted in designated areas only.

3. Course code of Conduct

3.1. The entry by individuals and vehicles into course areas will at all times be subject to the authorization and instruction of the steward and competition officials

3.2. Drivers shall refrain from all conduct and behavior that is deemed unnecessary when driving within course areas

3.3. When a yellow flag is produced on the track, drivers shall reduce their speed accordingly

3.4. When a red flag is produced on the track, drivers shall reduce their speed in preparation of an immediate stop. After confirming the safety of their immediate surrounds, drivers shall stop at the designated area. Drivers shall follow and adhere to course official instructions at all times

3.5. In the event oil or other liquid spill is anticipated while driving on the track, drivers shall immediately veer away from the driving course, stop their vehicles at a safe area and follow all course official instructions

3.6. No driver, team member or any individual has the right to change the course layout or position of any cone in the course except the Competition Steward or competition officials.

Stock Class eligibility is to all production vehicles normally commercialized & registered in conformity with the local traffic authority and has a valid vehicle registration certificate.

- Aftermarket Air filters are permitted only
- street legal tires only are permitted, with minimum 200 treadwear rating.
- Spare tire allowed to be removed only

Everything else on the car is as OEM from the showroom nothing removed

Prepared Class Allowances:

- Air Intake – (standard throttle body)
- Exhaust – from down pipe backwards (CAT BACK)
- Lower springs
- wheels / spacer
- Road Legal tires only permitted.
- cosmetic alternation that have no performance advantage are allowed.
- anything not in the list is not permitted.

Pro Class Allowances:

- Engine modifications are permitted.
- Suspension modifications are permitted.
- Tire compound free of choice Slicks are allowed
- Race fuel allowed.
- All other modifications are permitted (lightweight, Fiber parts, etc.....)

Any vehicle with insufficient safety features or not complying with the regulations in force shall not be admitted to or shall be excluded from the event.

The officials have the right to re classify a car into another class or category if unfair advantage was seen.

The race officials reserve the right to exclude any vehicle deemed to be unsafe non compliant with the spirit of the race.

- **Fire extinguishers (2lb/1KG is recommended) with a safe fixture inside the car are mandatory for all classes. FIA onboard Central fire extinguishers are optional for Race class cars).**

Chapter 7: Entries

1. Drivers must be in possession of a current driving license.
2. Should it turn out, at the time of pre-race scrutineering, that a vehicle does not correspond in its presentation to the group in which it was entered, this vehicle may, upon the proposal of the scrutineers, be transferred by the steward of the meeting to a different group or be refused definitively.
3. The organizing committee reserves the right:
4. To refuse an entry, without having to give the reasons for its decision
5. Double starts (1 vehicle for multi-drivers) are authorized, given that each entry was registered separately.
6. Multi cars for 1 driver is not allowed.
7. In case of an accident, the competitor and /or driver exclude any responsibility of Organizers of the event, as well as the Organizing Committee and pledge to renounce any complaint against them.
8. Changing/swapping cars between competitors is not allowed during the race (from the beginning of Heat 1).
9. 20 OMR in cash refundable deposit for the timing transponder.

Chapter 8: Track Sighting & Timed Run

1. The drivers will be allowed to walk through the course without any motorized means & have 15 minutes before the start. Practicing will be allowed during official practice day.
2. All drivers during the heats should abide by all regulations indicated and the decisions taken by the clerk of the course. Any breach of the rules reported to the clerk of the course and upon the decision of the steward of the meeting could result in the competitor being excluded from the event.
3. Illegal assistance on the track is prohibited.
4. Vehicles, which have broken down along the course, may only be towed away by order of the clerk of the course.
5. Each competitor should finish his/her heat within 3min, otherwise he is disqualified.

Chapter 9: Track Behavior& Flag signals

1. It is strictly forbidden to drive a vehicle across or in the opposite direction to the direction of the race, unless instructed to do so by the marshals or the clerk of the course. Any breach of this regulation shall result in exclusion.
2. If a driver is obliged to stop his heat owing to mechanical failure or other problems, he must immediately park his vehicle away from the track and leave it, and obey any instructions given by the marshals.

3. No celebration of any kind by the competitor or his team is allowed on the track until the race is over. Or a 2 second penalty will be added to the competitor's time.
4. The following flag signals may be used during practice and the race, and must be strictly observed:
 - a. Start flag: National flag/ Green Flag / Green light.
 - b. Red flag /Red light Stop immediately and definitively.
 - c. Yellow flag Danger, slow down.
 - d. Flags will be used in the posts of surveillance by the track officials and can be presented steady or agitated.

Chapter 10: Running the event

1. The drivers and their vehicles should be present in the ParcFermé, as per the allocated time in the official schedule. The drivers will be held responsible of a possible disregard of any announced changes in the schedule, which could be decided before the start. No participant will be allowed to enter after gate closed or leave the ParcFermé unless agreed on by the organizer.
2. The drivers and their vehicles should be present in their starting order before ten (10) minutes of their individual starting time. Any breach of this rule will result in the competitor being excluded from the event by the Stewards.
3. The start will take place individually for each driver with the vehicle stationary and the engine running. The minimal interval between the starts will depend on the length of the course.
4. The stewards of the meeting and the clerk of the course are free to modify the starting order according to the circumstances.
5. Any refusal or delay in starting of more than 1 min shall result in exclusion.
6. Any vehicle may be subjected to final checking by the scrutineers, after the finish.
7. Warming up must be in the designated area and it must be within maximum of 30 seconds only.

Chapter 11: Race Format

The format of the Competition shall be as follows:

1. Each driver will have 3 heats which from which fastest time will be calculated.
2. The best timed from any right-side run add to best time from any run from the left side will be recorded as the total fastest time.
3. Any DNS, DQ or DNF will be counted as 5 minutes for that run.
4. **Fastest time.** The fastest time from the left side from any Run added to the fastest time from right side will be counted as ("**fastest time**"), which will decide each driver position.
5. The fastest 4 drivers from the heats shall compete in Top 4 shootout, Competitors shall be paired in accordance the following, 1st place with 4th place and 2nd place with the 3rd place.
6. All the competitors will get one run that will counted as overall results, previews results from the heats will be not counted.

Chapter 12: Penalties

Exclusions:

1. Absence of the crash helmet or safety belt.
2. False information in the entry form.
3. Replacing of driver or in case of retirement.
4. Displacing or touching of more than 10 cones or barriers
5. Wrong route: or driving in the opposite direction
6. Any offence to the organizers & / or officials of the event

Refused Start:

- 1.No vehicle will be allowed to start if refused by the Clerk of the Course.

Time addition Penalty:

1. Displacement of a cone or any type of barrier on the track: will be penalized of 2 seconds/cone for each mistake, up to 10 cones, then DQ.
2. Not following or leaving the track such as cutting across a chicane or taking a short cut, DNF.
3. Hitting a cone or barrier on purpose will result in a DQ.

*The Race Director may decide to implement additional penalties if he deems it appropriate.

Chapter 13: Classifications & Trophies

1. The results will be published after the last competing car finishes.
2. Prizes are awarded to the winners of each class/category, trophies for the top 3 and medals for class winners.

Prize giving shall take place at the finish of the event. Competitors that are not personally present at the prize giving ceremony will lose their right to the prizes that are theirs. Nevertheless, the classification and attribution of the other prizes will not be modified.

Stock below 1.8L Class:

First, Second, Third
